Hear in the New Year

Hearing loss affects 1 in 8 of us and can negatively impact one’s overall health, relationships, and quality of life. Hearing Associates Inc. is donating a set of hearing aids to a member of our local community, who cannot afford them, and will be waiving our fitting and 6 months of follow-up care fees for one recipient.

If you know someone who could benefit from better hearing, please nominate them to be fit with a FREE set of ReSound ONE hearing aids using the form below.
